#WESELLSOCKS

We are a family owned and operated Sock Business whose mission is simple - to spread joy with every pair you wear or gift. Co-founders Nick & Josie are the *socksperts*, designers and all round brains behind Soctopus. Born in Brighton, by the UK seaside, our family business focuses on designing personality-led socks with a nod to British and European humour and culture.

We pride ourselves on having a sock for everyone with our range of designs and, more than anything, our sense of humour doing it.

The Soctopus journey started back in 2016 and after years of selling socks for other people they decided it was time for their own sockcess!

After receiving amazing feedback from our loyal and eccentric customers over the years, we decided to ban the genders, along with plastic hooks!

Our passion is to translate familiar cultural icons, sports, hobbies, and more, into ...

“fun for your feet”

Our range consists of, COTTON, BAMBOO, ATHLETIC SOCKS and LICENSED SOCKS!

COTTON Socks Composition: 70% Combed Cotton, 28% Polyester and 2% Elastane
BAMBOO Socks Composition: 70% Viscose (derived from Bamboo), 28% Polyester and 2% Elastane

By popular request, selected designs will now be available in three-sizes:

X-SMALL - UK 12-3 / EU 30-36 / US 13-4
SMALL - UK 4-8 / EU 37-42 / US 6-10
LARGE - UK 9-12 / EU 43-46 / US 10-13

Our ATHLETIC Range is currently available in one-size:

ONE-SIZE - UK 5-11 / EU 38-45 / US 7-12

We have many international wholesale partners and now have six-retail stores across the UK and working with many Charitable partners. Our small family business is growing and we are super excited about the future!

OUR ECO MISSION

RECYCLED CARDBOARD

We use recycled cardboard for our hang cards and paper for our e-com mailbags.

BCI CERTIFIED

Better cotton is the world's leading sustainability for cotton. Their mission is to help cotton communities survive and thrive, while protecting and restoring the environment. All of our socks are BCI certified.

NO PLASTIC

Making every aspect of our socks eco-friendly is hugely important to us so we do not use plastic, but thread to secure all our socks.

WHY BAMBOO SOCKS ?

BAMBOO SOCKS ARE NATURALLY SOFT, FEELING LUXURIOUS, ANTIBACTERIAL, HYPO-ALLERGENIC, THERMO-REGULATING AND HAVE MOISTURE WICKING FEATURES AND BREATH-ABILITY, WHICH KEEP FEET NICE AND DRY AND ODOUR FREE. BAMBOO FIBRES ARE ALSO VERY DURABLE, MAKING SOCKS STRONG AND RESILIENT. BAMBOO IS HIGHLY SUSTAINABLE AND GROWS FAST WITH SOME SPECIES GROWING BY OVER A METRE A DAY ! IT REQUIRES VERY LITTLE WATER TO GROW AND DOESN'T NEED FERTILISER OR PESTICIDES TO GROW, SO IT IS KINDER ON OUR ENVIRONMENT.

PRIDE QUARTER CREW

Soctopus is proud to be an inclusive and supportive business. We are always looking for positive ways we can contribute to both our local communities and charitable causes that are close to our hearts.

We work closely with LGBTQIA+ charities that our retail stores chose within their communities. We sell a range of PRIDE socks and for every pair we sell we make a financial contribution to our chosen Charities - Switchboard, Oxford Pride, LGBT Health & Wellbeing, The Kite Trust, York Pride & Chester Pride.

SOCTOPUS is proud to support Beth's legacy as told by her family;

Beth was 2 months away from her 21st birthday in August 2018 when she lost her battle with Acute Lymphoblastic Leukaemia. She fought the disease for nearly 2 years and got into remission only to relapse.

2019, the year after we lost Beth, another Leukaemia Mum that Andrea and Rob had met at the QE Hospital in Birmingham, grew some sunflowers and called them her Young Persons Unit (YPU) Sunflowers in tribute to all the young people who had fought but tragically lost their battles with cancer. We grew those first flowers and harvested them; from the original sunflowers we now produce thousands of seeds each year.

♥
THAT GORILLA BRAND

There are just over 1000 mountain gorillas left in the wild and they all reside in the mountainous forests of neighbouring Uganda, Rwanda and the Democratic Republic of Congo.

The majestic great ape is the real treasure of this land, much more beautiful than the highly sought-after natural reserves of oil or gold, but also much more scarce. The exploitation of this resource-rich region threatens their existence.

Inspiring Impact with every use.

This product champions conservation through direct support to gorilla.org. Crafted with strength, love, and loyalty, their mission is to continuously do well by doing good.

Soctopus have worked together with
Robert E Fuller to create a range of socks based around
some of his beautiful wildlife paintings.

Robert E Fuller is one of Britain's foremost wildlife
artists. His paintings sell all over the world and his
trademark, highly-detailed images have been
adopted at home by the RSPB and the National Trust.

A recognized authority on wildlife, Robert of-
ten appears on television and regularly writes
about his wildlife subjects for his local newspaper,
The Yorkshire Post.

His life-long passion for the natural world was shaped
by his upbringing on a farm on the Yorkshire Wolds.
