

A detailed illustration of a tropical scene on an orange background. It features several large, fan-shaped palm fronds in various shades of green. In the upper right, a large yellow lotus-like flower with a prominent yellow center is in bloom. Below it, a smaller yellow flower is also visible. In the lower center, a large, vibrant red flower with a yellow center is in full bloom. To the left, a green parrot with a red beak is perched on a branch. Several butterflies are scattered throughout: a yellow and black butterfly in the upper left, a black and yellow butterfly in the lower left, and a yellow and orange butterfly in the middle right. The overall style is reminiscent of classic botanical illustrations.

Each cracker contains one trinket, a crown, a joke and trivia question, unless otherwise noted.

Many of our designs feature luxury embellishments, such as 3D appliqués, gold foil, special ribbons etc.

Please see each individual Party Crackers for specific info.

# Initial Napkins

Our Paper Linen Boxed Initial Guest Towel and Cocktail Napkins are packaged in a sage green gift box - fully recyclable and produced domestically in the United States.

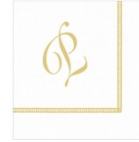

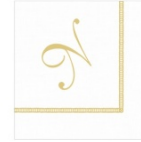

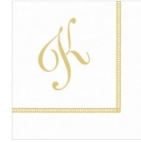

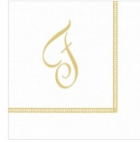

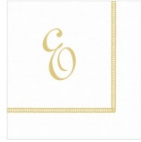

As the napkins are loose in the box they will ship with a clear PET lid. Unlike other types of plastic, PET is not single-use and is 100% recyclable.

All of our Initial Napkins can be paired with our Napkin Holders. Add a ribbon to make each item the perfect gift!
